14th December 2020

To parents and carers of children in year 3/4,

Thank you for your patience this morning. The public Health England system was even more busy than usual so it was a long wait.

The year 3/4 staff have been busy in school putting Christmas cards together and making a pack up for the children and these are now ready to collect from the front office area for children in Miss Payne and Mrs Bostock/Hodgins classes. If you have a child in either of these classes and they have a sibling in school, the sibling will bring the pack home tonight. Mrs Kanigowski's packs will be ready after Wednesday.

Anyone who has paid for class enterprise projects have also been put into wallets. If you would still like to buy your child's project - we do have them in the office if you can drop £1 off.

There are some Christmas activities for the children which can be found on the home learning site of the school website and there are some copies of these in the entrance if you wanted paper copies.

On Friday, we had planned for an end of term hot chocolate and cookie with Santa. There are presents for the children in year 3 / 4 in a sack if you would also like to collect their Christmas present. I will apologise in advance - Santa had been hoping the children could have a bit of a play whilst still in the school playground!!

Although it is earlier than anticipated, we would like to wish you all the best for Christmas and the New Year.

If you have any queries or concerns, please do not hesitate to get in touch.

Kind regards

Mrs Nicholson
